Guidelines for Submission of the full article (Book chapter) In an ISBN Book: **“Liberation of Creativity: Navigating New Frontiers in Multidisciplinary Research”**

Publisher: ERU-USA and ERC-India

ISBN- in association with AWS- Amazon Web Services

Aim and Scope

The goal of this International Conference ICNMR 2023 (International Conference on New Frontiers on the Global Stage of Multidisciplinary Research) is to provide a forum for criticism, commentary, and discussion about advanced research in the field of Science, Technology, Management, Law, Social Sciences and Humanities, with a crucial emphasis on providing actionable and realistic recommendations that solve important problems in research and innovation.

The International Conference on New Frontiers on the Global Stage of Multidisciplinary Research (ICNMR-2023) is a significant event that brings together academicians and researchers from various disciplines across the globe. We will highlight the crucial role that ICNMR-2023 plays in facilitating the growth and advancement of careers for participants in the academic and research community.
