# **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 Curriculum Planning and Implementation**

1.1.1 Institution has the mechanism for well-planned curriculum delivery and documentation. Explain in 500 words

MSI has a well-planned process for curriculum delivery and documentation which calibrates with the commitment to provide best quality education for the students. The Institute works actively with the parent University GGSIPU for designing and development of effective curriculum which meets the demands of the society. MSI is committed to provide the distinctive learning environment and skills, for understanding of self and others, to learn to solve personal and social problems and continually improving the overall performance of the 'Quality Management Systems'. The vision and mission of the Institute is stated below:

# VISIO

N

"Developing new paradigms in education in management, computer application, e-business, teacher

education and national values leading to student empowerment with an inclination for creative and cohesive group functioning in a global scenario"

## MISSIO

N

MSI is committed to provide the distinctive learning environment for the development of professional

competencies and skills, for understanding of self and others, to learn to solve personal and social problems and continually improving the overall performance of the "Quality Management System".

The vision and mission of Maharaja Surajmal Institute are corroborated with the objectives of the society and reflects the commitment of the Institute towards holistic growth and development of the students and inculcating national and human values in them through academic, co-curricular and socially meaningful activities. Mission articulates on student's empowerment, developing, functioning and performing at the global level. In the contemporary circumstances, the need of the hour is to abreast students with the latest knowledge in respective disciplines and thus the Institute Organizes various programs such as Industry visit, Live Projects, Research Projects, Summer Internships. Also, the Institution focuses on developing new paradigms and inculcating strong value system for all-inclusive development of the students. The teaching, learning and evaluation schedules are strictly as per the Academic calendar notified by the GGSIP University.

Smooth execution of classes is regularly monitored by the head of the institution and heads of the departments. The institute has well qualified, dedicated and experienced faculty. They are encouraged to participate in seminars/ workshops/conferences for keeping themselves abreast with the latest developments in their respective subjects. The pedagogy at MSI provides ample opportunities for students to develop into trained and competent professionals by keeping up-to-date of the ever changing technologies. For effective curriculum delivery, a number of traditional and modern teaching pedagogies such as the classroom lectures, power-point presentations, role plays, group-discussions, debates, seminars, workshops etc. are used. The Institute aims to achieve and excel as premiere technical/man<del>agement institution of the country. While teaching students and keeping pace with the evol</del>ving

definitions and concepts, a sincere effort is also made to cover the latest developments in each subject area. The classroom environment is congenial and makes learning proactive and the students learn a sense of team spirit, responsibility and professional integrity. It helps in building a healthy student-faculty bond, which develops students to their fullest potential and harnesses the best in the teachers. In order to guide the students and show them the correct path the Institute abetted the Mentor-Mentee concept wherein support beyond the academic curriculum helps the students to strengthen their emotional quotient.

The institute and Faculty members adopt numerous policies for bridging the knowledge gap of the enrolled 'weak' students to enable them to cope with the programme of their choices as well as promote, reward and facilitate 'advanced' learners. This includes tutorials and remedial teaching. The entire approach is student centric. For well-planned curriculum delivery, lesson plan file is prepared by every faculty member before commencement of semester. As per the lesson plan the contents are delivered to the students and it is monitored by respective program coordinators and head of the departments and members of IQAC Committee. Internal assessments are conducted to evaluate the performance of students. Students are encouraged to make present power point presentations. Guest lecturers on important and current issues by experts from the industry and senior academicians are organized regularly. Continuous review of the progress of syllabus completion, performance of the students, association activities are done in the department level meetings.

facilities. Along with, this feedback is analyzed at higher level of management and steps are taken to improve the functioning.

Feedback of stakeholders is sought regularly about infrastructure and learning resources for ensuring their constant satisfaction. Feedback is also taken from faculty members, stakeholders and experts regarding industry trends and feedback to identify new demands of industry. Structured feedback is taken from students, alumni, employers and experts from academia, industry and research through course/programme review feedback. This ensures that the institute benchmarks its own processes and performance, thereby improving on a continual basis efficiency and effectiveness of its processes, backed by data.

A dedicated team of faculty members takes feedback of internal and external subject experts including feedback of all course faculties of campuses to define/review the course objectives, contents, learning outcomes and assessment tools and put up the recommendations. Feedback is taken from eminent experts to integrate their feedback while defining curriculum/ programme. Feedback from students is also taken through class representative meetings, and corrective measures are taken accordingly to improve the teaching-learning processes.

#### Students Feedback:

The feedback is collected at specific intervals during the academic session. The academic feedback is taken

every week from the class representatives.

*General Feedback*: feedback is taken on regular basis regarding the general facilities including hostel-mess, canteen, computer lab general hygiene and cleanliness. The action against the problems of urgent /immediate nature are addressed by the authority immediately. The alternative issues which require management approval are addressed to the Honourable Chairman

and corrective measures are then taken accordingly.

## Faculty Feedback:

The academic & behaviour feedback from the students are analysed and the essential corrective measures

recommended to faculty members. The remarks are likewise shared with department for any corrective measures.

Syllabus Coverage: One hundred % syllabus coverage feedback is likewise gathered from the

Individual Subject Teacher.

Parents Feedback: The parents' meet performed by using university each month of the semester aside from different

problems permits mother and father to give tips concerning their wards that is duly cited with the aid of the applicable individuals within the college.

## Alumni feedback:

The alumni of the college who've moved on to industry or for higher studies additionally share their valuable inputs on how their years in the institution have helped them perform of their places of work/study. The alumni additionally supply constructive tips on helping the students gain extra recognition and improving themselves.

Feedback and suggestions received for various Audit/Inspections like NAAC, SFRC, JAC etc. are considered and follow up is done.

#### 2.5.2 Reforms initiated on Continuous Internal Evaluation (CIE) system at the institutional level (250 words)

Assessment on continuous basis considering weight age from 25%-50% in internal marks, depending upon course objectives, learning outcomes and pedagogy is done. Various components for continuous assessment are defined and used. Semester Internal examination- written examination is held every semester end. The end semester internal examination weight varies from 75%-50%. Students subject knowledge is assessed through direct and indirect methods of assessment methodology/tools like case studies and comprehensive studies are used keeping in mind the learning outcomes or parameters to be measured and emphasis on delivery of a programme as prescribed in the course curriculum is done.

The students those who are slow in their grasping power as compared to their counterparts are identified on the basis of percentage, classroom performance, participation in class, regularity in assignment submission, personal interaction and punctuality. The institute with the help of teachers handle it sensitively and pays attention to learners with various paces. Revision lectures are conducted for students to have insight to the previously covered topics. Parents are also kept in the loop; the institute provide academic counselling through parent teacher meeting (PTM) on regular intervals to enhance the communication between parents-teachers-students.

Class room interaction and Co-curricular activities: The activities, i.e., quizzes, assignments, every day attendance and mid-term examination are conducted. The students are assessed and marks are provided to them session with department and as per the institute suggestions/coverage. The internal and outside idea marks then will become the very last cease semester fulfillment of the scholar.

2.5.3 Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institute adheres to the Academic Calendar prepared according to the calendar provided by GGSIP University. Every year the academic calendar is prepared for the institute and department wise activity schedule is also prepared for the smooth functioning. This ensures that the curriculum is enriched through related activities, like, extension series, guest lectures and interaction with industries. The academic calendar was prepared and followed for conducting the examination and other relevant activities. The academic calendar is also displayed on the college website and also shares with the head of the departments so as to ensure proper execution. A copy of academic calendar for session 2019-2020 is attached (**Annexure 1**) for reference.

The institute is affiliated to GGSIP University, so we follow the academic calendar provided by the University. The institute prepare their own academic calendar for various programmes which follow the timelines/guidelines and academic schedule of the affiliating University. Generally, the GGSIP University gives guidelines on the following in their academic schedule, along with annual, cultural and sports meet schedule.

- Beginning of the academic session.
- Mid-term examination schedule.
- Annual cultural fest.
- Annual cultural meet.
- End term theory and practical examination schedule.

- Vacation schedule.
- Last working day of the semester.

#### 2.6 Student Performance and Learning Outcomes

2.6.1 Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

#### www.msi-ggsip.org

2.6.2 Pass percentage of students

The teaching learning process is the back bone of the academic system of any institution. Hence, Institute gives utmost care on teaching learning process so as the communication reaches all the students of different groups at grass root levels. With the advent of technology, teaching methodology has also appropriately evolved. The faculty members concentrate on teaching in addition to research and extension services and have evolved the best possible strategies and techniques of teaching to facilitate learning of students. The learning outcomes are clearly defined as per courses of the University. They are influential in achieving the mission and objectives of the University. While defining the learning outcomes, following are taken care of:

• They are articulated as complete declarative sentences that clearly describe the knowledge, skills, and competencies that students are expected to acquire as a result of completing their programme of study

• The resources (faculty, library, labs, technology etc.) and pedagogy to be adopted for effective course delivery and student learning are determined in consonance with the learning outcomes to be achieved

The outcomes are assessed and measured to identify the extent to which goals are accomplished.

• The gaps identified after the analysis are addressed through the properly laid action plan The outcomes assessment plan also specifies the performance targets/criteria (measurable objectives) that are used by the domain to determine the extent to which the programme learning outcomes are being achieved The assessment of student learning outcomes is done by using direct and indirect measurement tools like viva, internal examination scheme. Assessment methodology/tools are decided keeping in mind the parameters/learning outcomes to be measured and the desired emphasis during the delivery of a programme as prescribed in the course curriculum.

#### 2.7 Student Satisfaction Survey

2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

The institute ensures that the students are provided various platforms to reach the authorities with their suggestions and feedback. Apart from formal feedback taken in each semester, the students can convey their concerns if any, through a suggestion box placed at the main entrance. Also, the students can send email or contact through website. Overall satisfaction is thoroughly evaluated through feedback system.

#### 4.2 Library as a Learning Resource

4.2.1 Library is automated {Integrated Library Management System-ILMS}

Library & Book-Bank is fully computerized. All the library operations like Accessioning & Cataloguing of Books/CDs/Periodicals/Journals/Magazines, Circulation (Issue/Return), Reports etc. are fully computerized. The WebOPAC facility is also available wherein the Library Patrons can search & reserve the library Books/CDs etc. online.

**Library Automation** offers many opportunities to improve service for **library** patrons. Among other benefits, it makes materials easier for patrons to Locate as well as allowing staff to better serve patrons by facilitating a multitude of staff tasks such as acquisitions, cataloguing, circulation and reference etc.

#### Advantages of Library Automation

- 1. **Improved Customer Service:** Automation of the library helps the library staff in the areas of acquisitions, cataloging and circulation etc., which in turn allows to serve better. Thus the time saved can be utilized to answer the reference questions and help people who having trouble in finding the right information.
- 2. **Cataloging Improvements:** Automated cataloging standards, such as MARC (Machine Readable Cataloging), allow for quicker cataloging of library items. It allows the library staff in sharing of materials from location to location with an easier and affordable way.
- 3. **Easier Access:** Not only does automation of library materials make it easier to find books, buy it also makes it easier to access journals and some books online from a home computer. The automation of library collections also allows the library to be more flexible when it comes to any increases in demand.
- 4. **Collections:** Automation of the library allows for an improvement in the variety, amount and quality of materials that are available in the library's collection. It can also help make weeding out old, outdated and irrelevant books and materials from the collection, which helps keep the library's collection more streamlined and easier to find the right item.

#### Details of Activities Conducted by various societies are available in Annexure-5.2.4 5.3 Alumni Engagement

5.3.1 Whether the institution has registered Alumni Association? Yes/No, if yes give details (maximum 500 words)

We have presently 500 Alumni enrolled in MSI Alumni Association from BBA, BCA, BCOM, B.Ed. courses. We conduct yearly Alumni get together, which witnesses a huge participation of Alumni's. Generally, Alumni meet is organized once a year.

Our current batch of students and faculty come together to organize a huge welcome and interaction session for MSI Alumni's. As a part of welcome ceremony various societies of MSI present their programmes in the form of dance, drama, discussion and portray how new students have taken up the responsibility to become the face of MSI. After the welcome ceremony, college management and director interact with Alumni. Then some of the Alumni share their success stories and discuss about the measures required to take MSI to greater heights. All faculty members participate in the gathering to appreciate the progress and success of their students in the 21<sup>st</sup> century world and feel proud of the various positions achieved by their students in reputed organisations.

Finally, a sumptuous lunch is organized for Management, Faculty, Alumni and Students.

5.3.2 No. of-enrolled Alumni:

Approx.500

5.3.3 Alumni contribution during the year (in Rupees):

Nil

5.3.4 Meetings/activities organized by Alumni Association:

Alumni meet was successful organized on 12<sup>th</sup> Aug 2018. More than 70 Alumni participated in the meet and college students presented a cultural programme for the Alumni. Alumni were also invited to share

their experiences and give feedback to the institute for quality improvement.

#### CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 Mention two practices of decentralization and participative management during the last year (maximum 500 words)

#### Decentralization

- 1. The Governing Body delegates all the academic and operational decisions based on policy to Director, HOD's, Committees members in order to achieve the vision and mission of the MSI. Faculty members, other staff members are given representation in various committees and allowed to conduct various programs to showcase their abilities. They are encouraged to develop leadership skills by being in charge of various academic, co-curricular, and extracurricular activities.
- 2. A team of Faculty members and Students coordinate the co-curricular and extra-curricular activities in the College. Moreover, the institute has open door policy, where anyone can talk to Director or Management by taking permission.

#### Participative management

- Moreover, IQAC Conducts meeting at regular intervals to discuss the compliance of the work done during previous semester and plan of the coming semester. All the staff members were involved in the decision making process and future course of action is decided after rigorous brainstorming.
- 2. Feedback of stakeholders is sought regularly about institutions for ensuring their satisfaction. Accordingly, continuous review is carried out by respective committees and the recommendations are integrated in the Planning for upgrading, maintaining and utilizing physical, academic and support facilities. The institute promotes all stakeholders to share their feedback regarding its functions and collects feedback form various stakeholders like Feedback from Students, Faculty, Alumni, and Parents. This ensures that the institute benchmarks its own processes and performance, thereby improving on a continual basis efficiency and effectiveness of its processes, backed by data

6.1.2 Does the institution have a Management Information System (MIS)? Yes/No/Partial: **YES** 

- MSI has Integrated Library Management System -ILMS.
- All Systems are networked and linked.
- We use Biometric for Attendance Management system.
- Guidelines of IQAC and submission of AQAR for Affiliated/Constituent Colleges Page 30

- We have Daily Report Management System.
- We have networked CCTV camera installed in each class rooms and surrounding areas, to
- provide a secure arena.

#### **6.2 Strategy Development and Deployment**

6.2.1 Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

#### • Curriculum Development: Developed at University Level

Maharaja Surajmal Institute is affiliated to GGSIP University, New Delhi and follows the

curriculum and syllabus prescribed by the University for all its courses. Affiliated Institutions are not allowed to design their own curriculum. Rather, after every 5 to 6 years, University revise their syllabus and Senior faculty members from our college have been a part of the curriculum development committee formulated by university and have contributed to curriculum development. For each course different college become Central authority, which gathers revised syllabus and suggestion for the subjects. Maharaja Surajmal Institute was Central Authority for revising BBA syllabus, appointed by GGSIP University lately in 2017

- **Teaching and Learning:** At Maharaja Surajmal Institute we follow a holistic approach for growth and development of students, our teaching and learning methodology includes brainstorming, presentations, quizzes, inquiry learning, hands on activities, case studies etc.
  - > We provide adequate infrastructural facilities for teaching learning.

7.1.2 Environmental Consciousness and Sustainability/Alternate Energy initiatives such as: Percentage of power requirement of the College met by the renewable energy sources Annexure 7.1.2

The institute makes every effort to integrate cross cutting issues as Gender, Climate Change, Environmental Education, Human Rights, ICT etc., into the curriculum. The Institute provides various means to educate or aware the students on Climate Change and Environmental Education. Institute has dedicated environmental society which is basically an ECO club of students that organizes many events and aims at promoting and increasing environmental consciousness, awareness and responsibility amongst the Institute youth and the populace. Every year a plantation drive is done in the campus having a special budget/sponsorship for the event. Dustbins are installed at various positions and cleanliness is maintained. Conscious efforts are made to switch off lights and fans when not in use, to save energy. The institute has installed solar panels for supplementing the need of power supply to the hostel. Cleanliness drive is organized to create awareness and motivation among students to keep the environment clean.

Institution it is aware of the necessity of maintaining a green campus along with opting for environment friendly practices. To compensate for the loss of greenery due to the built up area, extensive green coverage has been created. Plethora of trees, plants, saplings and vegetables are planted in campus and are maintained by the gardener of the Institute. Students of the college also contribute in the greenery of the campus by sowing and planting trees and saplings.

#### Eco Friendly Initiatives

**Plastic Free Campus:** The efforts to make the Institution Plastic free have been initiated. Continuous small benchmarks are being set so at to reach the target of plastic free campus in coming years. As of now all the plastic dustbins are replaced by steel dustbins throughout the campus. These small initiative's will makes us do a little bit of our efforts for environment conservation and preservance.

#### 7.1.3 Differently abled (Divyangjan) friendliness

The institution fully adheres to the governmental policies regarding the needs of differently-abled students; we work proactively for their inclusion and acceptance in the institution. Seats are reserved by the GGSIPU at the time of admission in various programmes. The institution aims at creating a friendly environment for differently- abled students by providing ramps and lifts to facilitate their easy movement. Wheel chairs and special toilets are available in the institute to facilitate the stay of differently-abled students. The provision of writer in the examination is also available to support the differently- abled students. Besides, due to the reservation policy adopted by the GGSIPU, students learn to cope with their differently abled peers during the course of their study. The different activities – literary, cultural or sports events ensure that all students get a chance to participate according to their ability.

# **BEST PRACTICE- I**

**Title of the Practice:** Keeping faculty abreast with contemporary areas of the discipline so as to impart quality education.

**Goal Aims and Objectives:** The Institute organizes Faculty Development Programs (FDP's), seminars, workshops etc. for enhancing and upgrading knowledge of faculty members. Such practices have deep impact on quality enhancement and overall development of faculty as well as students. It positively impacts the academic functioning of the Institute and facilitates the role of teacher as educators and mentors. The Institution conducts the FDP's/seminars/workshops/Guest Lectures with the following objectives:

 $\Box$   $\Box$  To upgrade their knowledge and skills

 $\Box$   $\Box$  To improve their effectiveness as teachers and mentors

□ □ To promote research work in their field of specialize

 $\Box$   $\Box$  To inculcate values and ethics

□ □ To bring innovation and creativity in teaching-learning process

□ □ To develop sensitization towards environment and other social issues

Various programs to enhance knowledge of faculty are conducted on timely basis in MSI. These includes FDP's/seminars/workshops, interactive sessions and motivational lectures from eminent persons on topics related to research, management, interpersonal communication, values and ethics etc. These talks acquaints the teachers with best practices across the world, helps in developing right research attitude, building professional ethics and becoming an effective teacher.

## **BEST PRACTICE- II**

Title of the Practice: Pedagogy addressing outcome based education and heterogeneity of intellectual

evolution (NO ONE IS LEFT BEHIND)

**Objectives of the Practice :** The objectives/intended outcomes of this best practice are:

□ □ To facilitate effective teaching learning process in all the courses.

□ □ To accomplish holistic growth of students and enhance their learning experiences and outcomes.

To ensure effective teaching learning, students are actively involved in the teaching learning process through student centred innovative pedagogies such as inquiry approach, constructive strategies, project learning, brainstorming sessions, ICT based learning and presentations. Monthly attendance of the students is intimated to the students and their parents. On the basis of low attendance, students are detained from appearing in examination (at the end of the semester). Each department submits an annual report on the activities comprising academic activities, research and extension activities. Innovations in teaching/learning, publications, staff and student achievements, extra and co- curricular activities are also highlighted in the report. Annual reports of various departments are consolidated at the Director's office, which further goes to the Governing Body. To ensure quality sustenance and enhancement, the Institute periodically conducts the performance audit of the departments(by Internal Quality Assurance Cell) which includes review of Teaching – learning methodologies, result analysis, research output, Faculty Development Programs attended/conducted and Extension activities, Co-curricular and extra-curricular activities conducted during the year. Maharaja Surajmal Institute (MSI) is a self-financing, quality conscious and trend setting Institute with focus on providing equal opportunities for development of human potentials for every segment of society including the differentiated one. The MSI is a venture of its own kind where academics and professionals have joined hands to aid and direct the agenda of education. The Institute, situated in the heart of Janakpuri is spread over about 8 acress of land and has best of Infrastructure and academic facilities with highly qualified and experienced staff and state of the art computer labs. The Institute has been established through the dedicated and selfless endeavors of educationists and social workers who are deeply concerned with the standards of education and are determined to upgrade the quality, content and direction of education. MSI has an Intellectual capital comprising of 90 faculty members dedicated to facilitate acquisition of conceptual understanding, skills and requisite behavioral qualities to groom students into tomorrow's **Global Professionals**. The institute has become one of the pioneers in promoting quality education at par with the best available in the region. The commitment and the dedication of management and faculty members enabled the college to thrive well over the years. In terms of placement, MSI boasts of not only a steady stream of campus recruiters but we have also assurances for future tie-ups and recruitment opportunities for our

students. The institution conducts enrichment programmes such as Student Mentorship, Corporate Training Program, and Additional Skill Acquisition Programme to ensure holistic development of the students. Every year, students of MSI bag Gold Medals, receive merit certificates and achieve excellent results in exams held by Guru Gobind Singh Indraprastha University (GGSIPU) Also, MSI holds the reputation of being one of the best colleges under the GGSIPU. The vision and mission statement highlighting its distinctness are place prominently on the institute website. Also the ranking received at different survey like Times of India, India Today and inspections like JAC, NAAC are displayed on the home page of the institute.

#### 8. Future Plans of action for next academic year (500 words)

Continuing with the tradition of striving for excellence, the Academic Calendar would be prepared, as per the Academic Calendar of the Affiliating University with additional activity. This year, we plan to make the Academic Calendar more 'action-oriented', especially as per the needs of various Departments. More extension lectures, industrial interaction and industrial visits will be scheduled, so as to bridge the gap between classroom teaching and industrial requirements. Also, keeping in mind the high level of stress among youth, new activities would be planned for the mental well-being of the youth. More activities of Social Outreach would be organized like donation camps, blood donations, plantation drives, environment awareness events etc. Apart from increasing the activities in these regular areas, we at MSI plan to do the following additional things in the next academic session:

- To fetch the research grants from various agencies.
- Stress more on publications in journals of repute.
- Industry interface
- Increase alumni engagement.
