QUALITY SUSTENANCE W.R.T TEACHING PEDAGOGY

The Institute has a well-qualified, dedicated, and experienced faculty. The most contemporary teaching methodologies at MSI provide ample opportunities for students to develop into all-round professionals by keeping abreast of the ever-changing technologies. The Institute aims to achieve and excel the high standards set by premier technical institutions of the country. The traditional classroom teaching is supplemented by regular tests, tutorials, group discussions, extensive lab work, projects, seminars and industrial exposure through industry visits and summer training. While teaching engineering fundamentals and keeping pace with the evolving definitions and concepts, a sincere effort is also made to cover the latest innovations in each subject area. The classroom atmosphere is synergetic with interactive and participative sessions. This makes learning proactive and the students learn a sense of team spirit, responsibility and professional integrity. It helps build a healthy student-faculty bond, which develops students to their fullest potential and harnesses the best in the teachers.

MAJOR ACTIVITIES ORGANIZED DURING THE SESSION

MSI organized numerous activities during this academic year that included more than 121 activities for the Faculty Members and students.

Orientation Programme Academic Session 2022-2023

The dawn of a new academic session cast its radiant glow upon Maharaja Surajmal Institute, as it welcomed the first-year students, parents, and esteemed dignitaries with open arms. The college auditorium, abuzz with anticipation, served as the sacred gathering place for this grand orientation program on a crisp October 19, 2022.

As the first-year students flocked together, their spirits soared, eagerly immersing themselves in the vibrant essence of the college. The air crackled with excitement, hinting at the transformative journey that lay before them.

With great solemnity, the program commenced, symbolized by the ceremonial lighting of a majestic lamp. Shri Kaptan Singh Ji, the venerable President of the Surajmal Memorial Education Society, took center stage, extending a warm embrace to the newcomers. With eloquence and passion, he unveiled the vision, mission, and myriad activities that define the very soul of MSI.

Harish Singh
Director
 Ma. Raja Surajmal Institute
 C-4, Janakpuri, New Delhi-110058

In his inspiring address, Shri Kaptan Singh Ji painted a vivid portrait of MSI—a place where academic rigor intertwines seamlessly with an unwavering commitment to social responsibility. He shared tales of impactful projects and compassionate initiatives undertaken by the institute within its hallowed walls and the surrounding communities. The students' hearts swelled with pride, envisioning their own role in shaping a better world. The journey begins now, and Maharaja Surajmal Institute stands as a steadfast companion on this grand odyssey.

Alumni Meet 2022

The Alumni Association of MSI organized “ALUMNI MEET 2022”- a program to facilitate, consolidate and coordinate Alumni Activities at MSI Auditorium on November 26, 2022. The Alumni Meet started with a welcome address by Prof. H.S. Rawat (Director, MSI). The meet was graced by Sh. Ajit Singh Chaudhary Ji (Secretary, SMES), Sh. Raj Pal Solanki Ji (Treasurer, SMES), Sh. Ramesh Chaudhary Ji, and Sh. Raj Pal Solanki Ji (Chairman, Function & Maintenance Committee, SMES). The event started with cultural activities and proceeded with alumni interaction.

During the event, the alumni motivated the students and gave career guidance regarding higher studies and placements. They also motivated other alumni to contribute more towards the Institute in terms of assistance with placements, internships and academic alliances. Dr. Shailza Dutt, Convenor, MSI Alumni Association thanked all the alumni for giving their valuable time and presented a report highlighting the various milestones reached in the previous years.

Inauguration of Legal Aid Clinic

The Department of Law, MSI on Dec 30, 2022 added a new milestone by inaugurating Legal Aid Clinic. The inaugural was done by Shri Kaptan Singh Ji, President, Surajmal Memorial Education Society. The occasion was graced with the presence of Dr. H S Rawat, Director, MSI, Dr. Jasbir Singh, Deputy Director, MSI and other respected faculty members and students of the Department. The Department of Law, MSI, through this Clinic aims at providing legal aid to those who cannot afford professional legal services, and to champion those public causes for which support is lacking. The Legal Aid Clinic will be manned by Para Legal Volunteers (Law Students) with a sense of commitment, sensibility, and sensitiveness to the problems of the common people under the supervision of faculty Coordinators. The event was concluded by motivational words from Shri Kaptan Singh Ji (President, SMES).

One Week Faculty Development Programme On “Re-Inventing Education Paradigm in India”

MSI, in collaboration with its IQAC (Internal Quality Assurance Cell) and Research and Academic Cell, successfully organized a week-long Faculty Development Program (FDP) on the theme of “Reinventing Education and Paradigm in India.” The FDP took place from February 20 to 24, 2023, aiming to facilitate intellectual growth and foster innovative practices in the field of education.

The program commenced with a warm welcome address delivered by Prof. (Dr.) Harish Singh, the esteemed Director of MSI. The distinguished chief guest, Sh. Karnal Singh, a retired IPS & Former Chief of Enforcement Directorate, India, graced the occasion and delivered an enlightening lecture on how Indian culture, spirituality, and pragmatic knowledge are catalysts for achieving excellence in education and research.

On the following day, the FDP featured two eminent speakers: Dr. Manimala Roy, Director, and Principal Basava International School, Dwarka and Dr. Rajeshwari Malik, SDG Advisor

& Professor, Woxen University. Their presentations focused on the imperative need to adapt to the transformative changes brought about by the Industrial Revolution 4.0 and 5.0, shedding light on the significance of embracing emerging technologies.

Another enlightening session commenced with Dr. Veer Sagar, Chairman Selectronics who delved into the concept of making the Generation Z individuals not just job seekers, but also job creators. Additionally, Dr. Ekta Bhushan Satsangi, Associate Professor, Delhi University, addressed the vital importance of self-care and imparted insights into graceful aging.

The fourth day of the FDP welcomed Dr. Rahul Johri, University School of Automation and Robotics, GGSIPU, as a speaker, emphasizing the challenges and opportunities in education during the 21st century. Lastly, the event culminated with a valedictory session delivered by Dr. Arvinder Kaur, Dean, University School of Automation and Robotics, GGSIPU. She shared her profound views on the application of Artificial Intelligence in the domain of Software Engineering, enriching the participants' understanding of this cutting-edge field.

The FDP provided a platform for insightful discussions, intellectual exchange, and exploration of innovative ideas. It facilitated the professional development of the participants and underscored the commitment of MSI to fostering excellence in the realm of education.

E-Summit 2023

The Entrepreneurship Cell of Maharaja Surajmal Institute orchestrated a remarkable event, the E-Summit 2023, which took place on March 16-17, 2023. The summit commenced with an insightful welcome address delivered by (Prof.) Dr. Harish Singh, the esteemed Director of MSI, setting the tone for the engaging sessions that followed.

To inspire and motivate the participating students, sessions with the Influencer were conducted, featuring esteemed guests Mr. Nishchay Verma, famous Influencer and RJ Mr. Abhinav, prominent content creators in their respective fields. Their talks aimed to ignite the entrepreneurial spirit within the students and provide valuable insights into their personal journeys. One of the highlights of the event was a captivating panel discussion, graced by esteemed industry experts and academicians. The panel comprised Mr. Yogesh Aggarwal, startups organization and creator, Mr. Ayushman Mohanty, BrandBang Media, Mr. Praveen Kumar, Founder and CEO at Plug, Mr. Rohit Soni, Author and TEDx speaker, Ms. Lolita Dutta, Designer and Entrepreneur, Prof. (Dr.) Vivek Karmokar, Head of Foundation School at Pearl Academy, and Mr. Vaibhav Raj Kukreja, Industrial Product Designer. Their collective wisdom and diverse perspectives enriched the discussion, offering valuable insights into various aspects of entrepreneurship.

The E-Summit also encompassed a series of captivating competitions designed to foster innovation and entrepreneurial thinking. These included Envision 2.0 (a B-plan competition), Bizzburst (an Entrepreneurship Simulation), Technovation (a Case Study Competition), Emergio (aimed at uplifting failed startups), and Vigyapan Rachna Rewired (an advertisement-making competition). Each of these competitions attracted an impressive participation rate. The E-Summit 2023 provided an unparalleled platform for aspiring entrepreneurs to learn, network, and showcase their skills. It epitomized the commitment of Maharaja Surajmal Institute to nurture and empower the entrepreneurial spirit among its students.

“Cyber Shiksha for Educators and Students” Training Program

MSI had the privilege of hosting a Cyber Security training program for faculty and students, as part of the “Cyber Shiksha for Educators and Students” initiative powered by Microsoft Philanthropies and implemented by ICT Academy. ICT Academy, in collaboration with its institutional partners, undertook the responsibility of executing this significant initiative.

The training program for the BCA department encompassed three stages. In Stage 1, four faculty members, namely Ms. Rhythm Choudhary, Dr. Neetu Anand, Dr. Menal Dahiya, and Ms. Kanika Kundu, were nominated and underwent a comprehensive 40-hour training session conducted by ICT Academy from September 26 to October 8, 2022, in an online mode. These faculty members successfully completed the assessments and received certificates for Stage 1.

Moving on to Stage 2, a total of 60 students from the BCA 6th semester from morning and evening shifts were nominated for the program. The students underwent 30 hours of offline training, conducted by the faculty members who had completed Stage 1 training. The training took place in two batches from February 20 to 27, 2023. Assessments for Stage 2 were conducted on March 9, 2023.

For Stage 3, Mr. Palvinder Singh, a trainer from ICT Academy, provided direct training to the selected 60 students for a duration of 70 hours on the institute's campus. The students demonstrated their knowledge and skills by participating in the Stage 3 assessment, which took place in the MBA Lab on March 21, 2023.

The training program proved to be highly effective and beneficial for the students, equipping them with essential cybersecurity skills that will undoubtedly contribute to their career advancement. Sincere gratitude was extended to Microsoft Philanthropy and ICT Academy for their remarkable efforts in bringing forth this initiative for the benefit of our students. This training program has paved the way for the professional growth of students.

“AWS Certified Cloud Practitioner” Training

ICT Academy, in collaboration with its institutional partners, has implemented the Youth Empowerment Program - Skill Training in Advanced IT Skills as part of Honeywell's CSR initiative. Maharaja Surajmal Institute (MSI) had the privilege of being invited to establish the “Center of Excellence for Youth Empowerment” powered by the ICT Academy.

MSI successfully conducted a training program on “AWS Certified Cloud Practitioner” as part of this initiative. The inaugural function took place on March 23, 2023, in the MSI Auditorium. The program was led by four faculty members from the BCA department, namely Dr. Neetu Anand, Dr. Menal Dahiya, Ms. Rhythm Choudhary and Ms. Nikita Malik. ICT Academy appointed Mr. Arvind Vishwakarma and Mr. Dev Prakash as the trainers. Ms. Rhythm Choudhary was appointed as the Program Coordinator for the AWS Certified Cloud Practitioner training.

The training program focused on developing AWS Cloud skills, covering essential topics such as Global Infrastructure Overview, AWS Cloud Security, Networking and Content Delivery, Cloud Architecture, and Automatic Scaling and Monitoring. The students underwent four assessments to gauge their knowledge and progress. On completing the 100-hour training program, all 110 students received a joint certificate from Honeywell and ICT Academy, recognizing their proficiency in AWS Cloud skills. The training proved to be highly effective and beneficial, equipping the students with valuable skills that will contribute to their career progression.
