The event was organised on Google Meet. The anchors for the event were Quincy Singh and Avni Gupta and the event was handled by Krishal Singh. They all managed everything beautifully. The event started with brief introduction about the significance of the day and the purpose of the event, followed by the exhibition of the artworks. A video was created which showcased all the amazing artworks of the students of MSI-

After that another video was shown, where a hand was being painted in the form of the Indian Flag. It was portrayed beautifully. Everyone loved and appreciated the exhibition.

After this, a fun and interactive quiz was prepared for the audience. The quiz consisted of 15 questions with trivia on partition and Independence Day. It was organized to test the knowledge of the audience about the history of the Independence of India. The audience participated with enthusiasm and were answering each question very promptly. The students who scored more will also be provided with e-certificates. The students who gave the most correct answers were 1. Dhiraj Jha and 2. Chaitanya Agrawal. Others would be given certificate of participation. The event ended with motivational speech from Dr. Seema Shokeen Ma'am on the importance of observing The Partition Horrors Remembrance Day and Independence Day. As Partition fades deeper in the nation's memory and the generations that suffered its direct impact die out, it is no longer discussed widely. But it remains an ever-present part of India's history. Therefore, the tragedy and agony of the partition should never be forgotten. At the end, the National Anthem was sung. The anthem is significant in uniting people and reminding us that there we stand and remain one under the Indian union.

“Hindi is the simplest source of expression of our nation” –a very well said by “Sumitranandan Pant” Language is a vital part of human connection. Although all species have their ways of communicating, humans are the only ones that have mastered cognitive language communication. As we know in India Hindi plays that important role as a language. The Hindi language is very old and has a direct line of evolution to Sanskrit. As such it is part of one of the oldest religious and literary traditions in the world – traditions that have influenced other religions and works of art, whether we realize it or not.

So After independence, the Government of India set a goal to give an idealized look to the mother tongue of the country and set a target for grammar and orthography using the Devanagari script to bring about standardization in writing. After this, on 14 September 1949, the Constituent Assembly adopted Hindi as the official language of India.

To celebrate this day also called Hindi Diwas, **We, the members of NatureKnocks: The Eco Club of Maharaja Surajmal Institute** conducted an event “*Aamnaay Alfaazo ka*” : *An Hindi Open Mic* in collaboration with **Tark: The Literacy Society of Maharaja Surajmal Institue** on 14<sup>th</sup> September 2022 in the college premises.

In which Participants performed poems, shayaris, songs and story-telling. The event was enthusiastically attended by many. Participants exhibited their talent and performed very beautifully. Every performance was really joyous and made the event a big hit.

### **OUTCOME:**

By celebrating these kind of events students can learn the importance of Hindi as a language. These events helps to understand that Hindi language is just not a language but a feeling of millions of people across the world who speak Hindi and bring us together. Also open mic events gives chance to a performer to own the stage and become confident while improving their rating skills.

## International Women's Day

March 9, 2023

International women day is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as groups come together to celebrate women's achievements or rally for women's equality. In the past few decades, we have witnessed an increase in the cases of violence against women and self-defense has become a necessity rather than a choice. Keeping this in mind, the **Women Development Cell** and **Girl Up Union** of **Maharaja Surajmal Institute** organized an event on “**Women safety and security**” in collaboration with the **Delhi Police** on 9<sup>th</sup> March 2023 at MSI Auditorium.

The event commenced with a felicitation ceremony. The occasion was graced by honorable chairperson of Surajmal Memorial Education Society- Shri Kaptan Singh Ji , Delhi Police Personnel - special police unit for women and children of Nanakpura branch, respected Prof. Shyam Singh and Prof. Teotia representatives from executive committee of SMES and esteemed Director Prof. Harish Singh, Dr. Promila Dabas- convenor of WDC. They were invited on the stage to grace the occasion and to felicitate our guests with planters to show a token of respect. Shri Kaptan Singh Ji addressed the gathering and encouraged all the girl students to fly high and chase their dreams.
