Your profile (glorify your work)

As an assistant professor, my role is multifaceted and deeply impactful in the academic realm. I engage in a dynamic blend of teaching, research, and mentorship, contributing actively to the academic community and the development of future leaders in the field. My profile reflects a culmination of scholarly achievements, dedication to expanding knowledge, and a commitment to fostering intellectual curiosity among students.

In the classroom, I strive to create an environment that stimulates critical thinking and encourages active participation. My teaching methodology emphasizes both theoretical foundations and practical applications, ensuring that students not only grasp concepts but also understand their real-world relevance. Through innovative instructional techniques, I aim to inspire a love for learning while equipping students with the tools necessary for success in their academic pursuits and beyond. Actively mentored and advised BCom students, providing guidance on academic and career development. Established a supportive and collaborative mentorship program, positively impacting student retention and success rates. Actively served on departmental committees, contributing to decision-making processes and participating in strategic planning initiatives. Played a key role in shaping departmental policies and procedures, demonstrating leadership and a commitment to academic excellence.
