Action Taken Report

Action Taken on IQAC Meeting Held on 23.11.2024

1. Various departments have successfully organized add-on certificate programs aimed at enhancing students' skills and employability.
2. An international conference on *Sustainable Business Management, Innovation, and Technology* was conducted on 20–21 February 2025, providing a valuable platform for academic exchange and research.
3. The required data for the registration of the Alumni Association has been collected and documented. Further steps are being taken to complete the registration process.
4. The format for the Career Appraisal Report (CAR) was shared with all faculty members, and completed reports have been submitted.
5. New faculty members have been appointed in various departments based on institutional requirements, supporting academic and administrative functions.
6. Departments have submitted their purchase requirements for the upcoming semester to the Purchase Committee for timely procurement.
7. Records of campus placements are being systematically maintained to support student career tracking and institutional reporting.
8. Departments are in the process of planning additional activities focusing on the Indian Knowledge System, professional values, and ethics to enrich the holistic development of students.
