

Maharaja Surajmal Institute Action Taken Report

Action Taken on IQAC Meeting held on 27.05.2025

1. The Institutional Development Plan was reviewed in light of the feedback received from members during the meeting. The suggestions were thoughtfully considered and incorporated, and the plan has now been finalised.
2. The process of collecting data for the AQAR 2024–25 criteria is currently underway, with active involvement from the concerned departments.
3. Faculty members and students continue to follow the Institute's code of conduct and are demonstrating responsible and professional behaviour in their academic and institutional roles.
4. The Institute is actively working towards the adoption of a village under the Unnat Bharat Abhiyan initiative, aiming to contribute to rural development through meaningful engagement.
